

Better hearing. *Better living.*

Join us for a **FREE Hearing Health Educational Seminar!**

Come learn about hearing loss and how the latest in hearing aid technology can enhance your hearing and quality of life.

Free Hearing Health Educational Seminar

Monday, March 12th - 3PM

Parker Adventist Hospital • Hilltop Conference Room • *Refreshments will be served.*

Seating is limited. Call (720) 842-1890 to reserve your seat today.

Speaker:

MICHAEL R. ILIFF, AU.D.
DOCTOR OF AUDIOLOGY

With over 15 years experience in the hearing healthcare industry, Dr. Iliff has worked as a Hearing Aid Technology Consultant for HIC representing Widex, and most recently Oticon, USA. He is a member and past President of the Colorado Academy of Audiology and a recipient of the Peak Performance Award from the Colorado Academy of Audiology. Dr. Iliff will share his story on hearing loss and how new technology has advanced his hearing health.
